

**Directions)** Below is the suggested format for outlining paper #1. You must write your thesis for the entire paper. Then, you should construct only the topic sentences for paragraphs 2, 3, and 4.

John/Jane

Doe Professor Ewan

ENG 100

9/12/15

## **PAPER #1 OUTLINE**

### **THESIS**

Although digital technology has many benefits, it also has many drawbacks. For example, it harms people's communication skills. In the classroom, these advancements have created difficult barriers for today's students to overcome. Furthermore, digital technology endangers people's rights to privacy.

### **BODY PARAGRAPH # 2**

Digital technology is having a detrimental impact on the way that people communicate with one another in their daily interactions.

### **BODY PARAGRAPH # 3**

Unfortunately, digital technology is creating problematic distractions for today's students and harming their education.

### **BODY PARAGRAPH # 4**

Digital technology poses alarming threats for everyone's personal right to privacy.
